

# 2023 Instrumental Music Scholarships

## For students in Years 7 - 9

Study one of the following instruments:

- Viola
- Cello
- Saxophone
- Clarinet
- French Horn
- Trombone.

The Scholarship includes music tuition fees for one shared 30 minute lesson per week and the hire of an instrument. Parents may be asked to purchase a tutor book to use in lessons, and there is a small cost for students to attend Music Camp.

Successful applicants will participate fully in the instrumental music program over the course of the year, including:

- attending Music Camp
- being a member of a designated ensemble
- performing at school events and concerts.

## How to apply?

Complete the online application form on SIMON/PAM and nominate three instruments. A Parent/Guardian will then need to approve the application.

Scholarships will be offered to students who have demonstrated the potential to engage in learning a musical instrument through the Selmer Survey result and a survey of their pastoral and subject teachers. Students may be required to attend a short interview.

**Applications close Wednesday 15 February.**
