

This year, Project Compassion brings you the stories of three resilient women from three different corners of the world. They are facing vastly different challenges, but are all united by one dream: to create a better tomorrow **for all future generations**.

Meet **Ronita** from the Philippines. Ronita lives with her husband and two children in a barangay (local district) in Quezon City, which is situated in Metro Manila in the Philippines. She went back to school to finish her education so that she could earn income to support her children.

Meet **Leaia** from Samoa. Not having access to a reliable source of clean water was very difficult for Leaia and her family. But, with the support of Caritas Australia, a water tank was installed at their home, improving their health and living conditions.

Meet **Memory** from Malawi. Memory, the eldest daughter from a rural Malawian family, trained to become a carpenter and is now a trailblazer for future generations of women in her village.

Throughout Project Compassion, you will get to know the stories of Ronita, Leaia and Memory. Journey with them as they forge a path to a brighter future for all generations.
