

Congratulations to the

CLASS OF 2023

It is with a great deal of pleasure and pride that we celebrate the achievements of the Class of 2023. All students made a great commitment to themselves and their studies as they strove to achieve their very best. They have shown remarkable resilience and determination meeting each new challenge as it came along. As another cohort that completed two years in remote learning, they have shown that they can rise to new challenges. They have shown that they are people of Mercy in their joy and courage as they completed their VCE. We wish them all the very best for their future endeavours.
