Congratulations to the Class of 2022

It is with a great deal of pleasure and pride that we celebrate the achievements of the Class of 2022. The achievements of this cohort are all the more impressive given that they completed Year 10 and 11 mostly in remote learning. Returning to school has not been without its challenges. The students have shown resilience and determination meeting each new challenge as it came along. They have shown that they are people of Mercy in their joy and courage as they completed their VCE and VCAL. We wish them all the very best for their future endeavours.
